

SLES and Youth Employment Information Session

Join us and discover your career options after school with our School Leaver Employment Supports (SLES) information session.

Monday
29th April 2024

5:30pm - 6:30pm

This session is hosted
online via Microsoft Teams

This is a must-attend event if you would like

- Improve your confidence
- Increase your independence and employability skills
- Work out your dream job and the pathways needed to achieve your goals

This is a free event and is open to students, parents, carers and teachers. If you're interested in learning more about pathways after school, make sure you register to attend today!

- 6:05pm** How to get SLES funding in your NDIS plan
- 6:15pm** Questions and feedback

Note: This is a general order of events and is subject to change.

About SLES

SLES, soon to be known as Youth Employment, is an NDIS-funded, capacity-building support designed to assist young people transitioning from school to employment. It is a fun and practical way to explore new industries, learn new skills, build capacity, and identify employment goals.
