

Certificate III in Make-Up

This qualification qualifies individuals to be employed as make-up artists to design and apply make-up for a range of purposes and occasions across the beauty, fashion, media, and entertainment industries.

Upon successful completion of the Cert III in Make-up, individuals will possess a range of well-developed make-up and consultation skills where discretion and judgement are required and where there is a requirement to perform autonomously to achieve outputs. This includes working cooperatively with a range of individuals including photographers, hairdressers, fashion stylists and media production staff and other related industry roles.

Work is typically conducted as part of a team or on a freelance basis in settings such as make-up studios, retail cosmetic counters, fashion and media sets and photography studios.
