

VICTORIA POLICE

Community Sentiment Survey STAKEHOLDER KIT

From 1 June – 30 June 2026, Victoria Police is inviting Victorians to complete a short survey to tell us:

- their key safety concerns
- how they would like to interact with police
- where we can focus our efforts to prevent and deter crime.

These responses will help inform and improve the initiatives Victoria Police delivers to keep you and our communities safer.

Please share this survey with your networks.

ABOUT THE SURVEY

The annual Community Sentiment Survey provides an opportunity for all Victorians to share their safety concerns, how they would like to interact with police, and where Victoria Police can focus our efforts to keep our communities safer.

The survey supports the Neighbourhood Policing Framework and is for people of all backgrounds who live, work and socialise in Victoria.

The survey is anonymous and will take around 5 minutes to complete.

Accessing the survey

The survey is available via the Engage Victoria website (the official Victorian Government consultation site). Accessible versions of the survey are available on the survey website.
