The Program

RYPEN will be held at Camp Getaway, near Axedale, from 5pm Friday 24th April to 2pm Sunday afternoon 26th April. Camp Getaway is our District's Rotary Camp and is set in bushland. It has camp style facilities with accommodation in separate boys' and girls' dormitories.

If you need to contact your child, please call Suzanne 0450 090 794. Please put this number in your phone so that you recognize it if your child calls you.

RYPEN (The Rotary Youth Program of Enrichment) is organised by a committee of Rotarians, and a team of youth supporters who are or have been involved in other Youth Training Programs (i.e. Rotaract, RYLA, Youth Workers, Teachers etc.). All camp personnel hold an appropriate Working with Children Card or are Victorian Institute of Teaching registered teachers.

Students

The students will be participating in various group activities, which involve working collaboratively with other students throughout the weekend. All students are encouraged to get involved during the activities by giving their input and feedback, and most importantly having a go at the activities (which will include outdoor and physical activities) planned for the weekend.

The program and weekend is for students in years 9, 10 and 11 and aged 15 to 17.

Students will undertake self-evaluation and reflection exercises, which will provide them with the opportunity to apply the things they have learnt to their own lives and experience. It is important that the student understands he/she needs to participate to gain maximum benefit from this experience.
