

Dear parents and carers

We are writing to you as parents/carers of a child or children in government, Catholic and independent schools across Victoria.

The Victorian Department of Health strongly recommends that face masks are worn in indoor settings.

As a result, we are asking all students aged 8 and over and all staff in all schools across Victoria to wear masks when in class (except where removing a mask is necessary for clear communication) from now to the end of winter.

Students won't be required or expected to wear masks when outdoors, and this expectation won't stop student participation in the full range of school activities, including music, sport and performances.

We are asking for your support in explaining to your child or children the importance of this simple step that will help keep our schools as safe as possible.

We also ask that you make sure your child (or children) takes a mask to school (and wears it if they are travelling on public transport) or collects a mask when they arrive at school.

We all appreciate how important it is for students to be back at school. This action will help make sure as many students and staff as possible are protected from COVID and other winter illness.

Thank for your help with this collective effort to keep our communities safe and healthy.
