Training and Assessment

Training is in a classroom setting, with a mix of practical work on clients, written work, workshops, and group discussion. Assessment includes project work, demonstration of skills & participation in discussions and debates, written and oral tests and presentations.

This is a practical qualification with a lot of hands-on assessment and mandatory hours that students must complete before being eligible for graduation, so attendance is important to ensure successful completion of this qualification. All skills assessments will be required to be carried out in the Penola school salon.
