Get back to school ready with the School Student Broadband Initiative

Children who can access online learning at home as part of their education are more likely to engage in classroom activities.

With broadband internet access your family will be able to access fast internet at home, which supports children to build their digital skills, learn how to safely use the internet and participate in a world that is more dependent on digital technology.

There is still time to sign up for the School Student Broadband Initiative (SSBI):

- For any families signing up now, this offer means free internet until 31 December 2025.
- For families who have already connected with SSBI, their free internet will automatically be rolled over until 31 December 2025.
