

VOICE OF LELE

WEST PAPUAN BEAUTY

Lele has a deep passion for social justice, equality, human rights and youth empowerment.

The Voice Of Lele experience aims to contribute to community development, empowerment and community togetherness whilst encouraging participants to gain a much deeper understanding of the refugee experience.

As Lele has a deep passion for youth and community, these programs are targeted towards the following groups:

Early Childhood, Early Childhood Staff Development, Professional Development Days & Evenings, Primary, Secondary, University, Community Groups.

The Voice Of Lele programs give participants the opportunity to engage first hand with a refugee woman to hear her story first hand. Within the program, Lele will run interactive activities that will not only captivate the room but have them engaged in learning about the story of refugees on a much deeper and personal level.

Each program is tailored specifically for each encounter and event. Within each program you will find the following:

- Who are refugees
- Who is Lele
- How did Lele get to Australia
- Facts about the refugee story within Australia
- Australia's Refugee Policies
- Interactive activities
- Lele to teach traditional songs from her country
- Lele to share originals songs and story

Incursion can be delivered anywhere from 20-50 minutes and can be delivered over a course or a schooling day.
